# Famed Composer's Kin Visiting Here

By ADALINE CORTEZ  
 ME 4876  
 If you dial a ME 4876 number and the voice at the other end answered with "Mushi Mushi Anoo-No-NI" what would you say next?  
 After pushing my lower jaw back into place, I cleared my throat, "Hello" my head and I tried "Hello" again. Of course, I knew beforehand that Georgia Patterson, daughter of Mr. and Mrs. Roy Patterson, 17348 Yukon Ave., had just arrived from twenty months with the WACs in Tokyo, Japan, and maybe that is how I recognized it as Japanese.  
 Miss Patterson brought home a houseguest, Corporal Dorothy Hennessy from Florida, who will be stationed at Ft. Meade there.

never able to occupy until now. The home was built especially for Mr. Kennedy, who is confined to a wheelchair.  
 The Norman Hales, 10957 Elgar Ave., spent a week's vacation in the desert at Palm Springs. They stayed at the Pepper Tree Inn.  
 They covered the night life and golf links thoroughly. Lynn's sister and husband, the Jack Picoles from Dallas, spent the week-end with the Hales. To celebrate the visit and also Lynn's birthday, they danced to the music of Harry James at the Palladium with 30 of their friends.  
 Mrs. William Sinden, 12056 Glenburn Ave., broke her hand as a result of a collision which wrecked their car.  
 Purple and white stock and asters decorated the center of the table at the monthly meeting of the North Torrance Euthenia Society.  
 Despite maintenance difficulties which resulted in a whirling indicator that competed with the speaker, freezing temperatures, and finally, lukewarm coffee, 40 members heard and enjoyed the talk by Kenny Ueda.  
 Peggy and Bill Sals, 23009 Almsworth Ave., motored over-land to Las Vegas with the couple — and came out of it smiling in spite of getting only seven hours sleep in 72 hours.  
 They caught the Donald O'Connor show at the Sahara, and Tony Martin at the Flamingo.

That same week-end Robin age 2, took a trip away from mamma for the first time. She visited a cousin in Berkeley who took her to the zoo and shoot shooting.  
 Jack and Clinton Beeson, 3187 W. 176th St., dined with Larry and Dottie Waggoner at their home in Westchester. The Waggoners moved from North Torrance last year.  
 Navy Chaplain Kenneth Zeller and his wife, Lorraine, stopped to visit with the Al McKenzies, 4332 W. 179th St. on their way to San Diego where he will be stationed for two years. They will make their home at Chula Vista.

Mr. and Mrs. Don Gordon, 2280 W. 178th St., recently returned from Vancouver, B.C., after driving their one-and-one-half-year-old grandson Billy Ryan home to his mother, Vera Ryan. Billy overstayed his six-month visa by one month but the didn't get in trouble with the government.  
 The Gordons report driving through snow and 20 days of continuous rain.  
 People returning from hospitals every day...  
 Gerald Cuskey, 17089 Elgar Ave., home after major surgery at Methodist Hospital.  
 Ruth Snel, 17011 Corke Ave., catching up on her reading after 30 days at Queen of Angels Hospital.  
 Margaret Donnelly, 12227 Wilkie Ave., came back from Seaside Hospital and with her name Patrice, 6 lbs. 1 oz. Patrice has two brothers and a sister.  
 Lewis Kennedy will be released from the hospital this week and will occupy the home he and his wife, Jeannette, had built a year ago at 3433 W. 174th St. and which they were
